News Letter for SMMT ISO/TS Certification Bodies

Newsletter: 2009 – 002
Date: 9th July 2009

SUBJECT: ISO/TS16949:2009 SIs & FAQs

Dear Certification Bodies,

With the release of ISO/TS 16949:2009 all existing SIs and FAQs to ISO/TS16949:2002 will be withdrawn.

However one of the existing SI and two of the existing FAQs will be amended and released following the IATF meeting in September 2009, see details below;

- SI 5 06 Supplier Development: Will become SI 1 09, in the interim period the intent of the SI should be maintained within the audit process.
- FAQ 1 Applicability and Scope: Will remain as FAQ 1, in the interim period the current definition of automotive shall be maintained.
- FAQ 8 Customer Specific Requirements: Will become FAQ 2, in the interim the definition shall remain the same in terms of the audit process.
